

Anchor Bay Cheer

Teacher Recommendations

Dear Anchor Bay Staff,

Each student is required to have one teacher recommendation filled out and signed before cheerleading tryouts. Please rate the student on the following categories. Grade point average will be considered separately, so do not use the student's academic standings as criteria. If there is any other reason they should, or should not be a part of the Anchor Bay cheer team please e-mail the coaches at anchorbaycheer@gmail.com. We thank you and appreciate you taking the time to keep the cheerleading program a positive and well-represented sport.
